

LONDON CITY AIRPORT

# Draft Surface Access Strategy

Janet Goulton

Long Term Strategy Manager

London City Airport

28 September 2004

# Draft Surface Access Strategy

LONDON CITY AIRPORT

- The Process
- Document Contents
- Timescales from here

# The Process

LONDON CITY AIRPORT

- Working Group met in July 2004
  - LTUC – Tony Shields
  - TfL London Buses – Chris Hall
  - DLR – Sharon Moller
  - LB Newham – Ian Fines
  - LCA – Tim Smith / Janet Goulton
  - ATF Administrator – Stuart Innes
- Sept 04 – First Draft for circulation & comment by all

# The Structure

LONDON CITY AIRPORT

- Used old SAS as starting point
- Decided to follow similar format
- Chapters:
  - 1) Strategic Context
  - 2) Existing Surface Access Arrangements
  - 3) Accessing LCA: Review of Existing Useage
  - 4) Future Services
  - 5) Aims & Targets

# Chapter 1: Strategic Context

LONDON CITY AIRPORT

- **NEW!**
- Aviation White Paper.....
- .....requirement for airports to produce a master plan to show how airport could grow to 2030 including proposals on surface access that minimise environmental, congestion and other local impacts.

AIRPORT OF THE YEAR 2004

# Chapter 2: Existing Surface Access Arrangements

LONDON CITY AIRPORT

- Assumes reader ignorance!
- Details:
  - TfL Bus services
  - LCA Shuttle bus services
  - DLR connections
  - Rail – Silverlink Metro
  - Road Access
  - Taxi, motorcycle, walking facilities
  - Car parking facilities

# Chapter 3: Review of Existing Useage

LONDON CITY AIRPORT

- CAA & Staff Survey Results
- Modal Split Information

# Chapter 4: Future Services

LONDON CITY AIRPORT

- Next 18 months
  - DLR – LCA Extension
  - Red Buses
  - LCA Shuttle bus services
- DLR – Woolwich/Stratford/Barking Extensions
- East London Line
- East London Transit
- Greenwich Waterfront Transit
- Thames Gateway Bridge
- Crossrail

# Chapter 5: Aims & Targets

LONDON CITY AIRPORT

For Consideration.....

1. Increase proportion of passengers using public transport to access LCA from 73% currently to 77%

Is this achievable?

2. Reduce the proportion of employees accessing LCA by car alone from over 60% to 55%.

Is this achievable?

# Where from here?

LONDON CITY AIRPORT

- SAS circulated today for additions / comments / opinions
- Forward comments to:
  - [janet@lcy.co.uk](mailto:janet@lcy.co.uk)
  - [lcyatf@blueyonder.co.uk](mailto:lcyatf@blueyonder.co.uk)
- ...By 30<sup>th</sup> November
- LCA to publish on [www.lcacc.org/atf](http://www.lcacc.org/atf) a Final Draft by end December
