Key Objectives of the ATF

- To make access to airports more sustainable,
- To draw up short term and long term targets for increasing the use of public transport by passengers and staff,
- To devise a strategy for meeting these targets, for incorporation in Local Implementation Plans for the London Integrated Transport Strategy,
- To monitor implementation of the strategy.

Surface Access Strategy

- Encourage the use of public transport for journeys to and from the airport (staff and passengers),
- Offer a choice of efficient public transport,
- Ensure access for the disabled,
- Ensure access for employment,
- Contribute to regeneration.
