

Dear colleagues,

Subject: Green Transport Plan - Survey

I am writing to ask for your assistance with a 'Green Transport Plan' for London City Airport. The aim of this plan is to encourage members of staff to use alternative modes of transport to and from work as opposed to using their car.

The main objective of this survey is to ensure that staff ideas and comments at all levels are integrated into the plan, so please take this opportunity to do your bit. As a further incentive, all those completed questionnaires that are returned before 28th September 2001 will go into a draw for two tickets to Dublin, so don't forget to say who you are.

The draw will be held on Monday 1st October, and the results will be notified by e-mail after the winner has been contacted.

Thank you for your help.

Regards,

Rob Grafton
