11. OUT OF HOURS CHARGES

Extension of the opening hours published in the UK Air Pilot or altered by NOTAM may be available subject to a request in writing to an Airport Director at least 24 hours in advance of the Airport facilities being required. Where such notice is not possible, and the extension hours are due to weather, ATC or technical delays, etc., application must be made to the Operations Controller by telephone as early as possible and confirmed in writing or by telex/fax. Airport extensions are subject to the Airport planning permission in place with regard to the Airport and the availability of operational and technical staff and, where granted, will attract a surcharge. The period to be charged for will be calculated from the promulgated closing time, or to the promulgated opening time. Each and every Operator of Aircraft out of hours will be separately charged on the following basis:

Per 30 minutes, or part, per Operator. £750.00
